

Winter 2008 Minutes

December 4, 2008

Rewards given to fleet champions.

New officers elected to replace Bill Green, John Pedlow, and Mary Davis. The new officers are Jonathan Knowles elected to 2-year President position, Ken Nelson elected to 1-year vice-president position, and Gary Baker elected to the Treasurer position. Treasurer position has no time limit.

Other business discussed was a potential new scoring system, and changing the by-laws to allow non-fleet members to hold an officers position. These issues will be finalized and discussed further at the Summer meeting.

It was decided to make a new website and Scott Wilson volunteered to take on this task.
